General Business:

- The start date for fall sports is August 1st.
- The date for the first competition is still August 5<sup>th</sup>.
- The rules interpretation meeting is up and working. The window for completion is much shorter this year. The deadline is **Thursday, August 5<sup>th</sup> @ 11:59 PM**. The late fee of \$50 will be assessed starting **Friday, August 6<sup>th</sup>**. Deadline for completion is **September 13<sup>th</sup>**. There will be no opportunities after this date. Failure to comply results in your team being removed from post season play.

- Match Play: we now have no limit as to how many match play events we can play during the regular season. Coaches should agree upon the format prior to the start of the event.
- Non-interscholastic competitions: The OHSAA has lightened the restriction for these events. Charity events, such as scrambles, no longer require a waiver. However, any event organized as stroke or match play still requires a waiver. Waivers must be submitted prior to the event by a school administrator. Each waiver is good for only one event. The OHSAA will grant three (3) waivers for the golfer per season. Waivers can be downloaded from the OHSAA website.
- No waivers are needed for non-interscholastic events for 7<sup>th</sup>/8<sup>th</sup> graders.
- OHSGCA website: Christ Cores, Eric Heitkamp and Brian Unk have been working hard this past Spring/Summer developing a more interactive and user-friendly OHSGCA website. These updates should be available soon and will include videos from high school and college coaches along with presentation of awards.

Motion to adjourn: Chris Carlisle; second by Scott Holohan
